

We saw some phenomenal scoring in Week 3 of Winter Leagues and none more so than Team H where the three counting players all broke 40, Tony Byrne, Kevin Keatinge and Angela Smith. Team E have been struggling of late but Phyllis Davis did her bit with a 39. Team F continue to be in contention with David Redmond and Christy Broe hitting 41 and Joe Byrne with 43. Vera Moore from Team J was also among the leading scores with a 38. A long way to go but some teams are really hitting form as we approach the half way point. Team D have had very little to cheer but well done to Gerry Clarges with a 41. Team B have just played two weeks but at 257 their scoring is well in touch with the leaders.
