

WE have reached halfway stage and last weekend if you got to play Friday or later on Sunday then you really had the advantage on those struggling on frozen greens on Saturday. Team H continue to set the bar and lead Team F by 13 shots. Hopefully with the bad weather out of the way, this weekend should see all teams put in scores as sadly Team B were unable to post a score and now have missed two weeks so their 8 scores will all be counting assuming they can play over next 5 weeks. Leaderboard is below.

Team H: 616

Team F: 629

Team J: 644

Team I: 648

Team C: 654

Team A: 662
