

We are reaching the critical stages of the Winter leagues. The upturn in the Winter tells us that Spring is on the way and the Drive IN is just around the corner. Team H have been out in front over the last 4 weeks and once again put in another strong performance with a 41 and two 43's. Team E are trying to keep tabs but the gap is 15 despite a 40 and 41 from their players. The battle behind is close with Team J 14 shots further back and Team I 11 behind them. We are getting close to the point where teams will drop their worst score and that could see some changes. We have three teams now who have not completed the full 6 weeks and two of them have just 4 weeks counting so they will not be able to drop their worst score. This weekend promises some Mild weather and we expect the scoring to reflect the upturn in the weather. Best of luck to all.
