

Week 7 of the Winter leagues and a touch of spring as the month of March approaches, the weather may have turned but the team at the head of affairs show no signs of being derailed. Team H once again posted another excellent score with Tony Byrne and Kevin Keatinge adding another 41 and 42. They had just 3 players in action but they once again posted the best score of the weekend. Team F look well positioned to finish 2nd but as the weeks run out they need some really low scores to pull in the leaders. Joe Byrne with a 42 was the best of this trio. Behind them the other teams are jockeying for positions. Team J's Vera Moore again was the lowest scorer with a 38. Team K's Michael Quinn with a 40 and Madeline Nugent also shot a low score with a 40 for Team A.
