

Congratulations to Tom O'Reilly and Pauline Balfe who will be crowned players of the year for 2019. The duo have been so consistent all season and their just rewards is to finish the season as the club Number 1 players. There is still points up for grabs at the Sean McDermott Cup on Sunday but not enough to dislodge Tom & Pauline. Tom unusually did not win a club major. However he was runner up at the Strokeplay and won the Top Gross at the Captains and he won the Tom Doyle. Tom's most memorable moment was his 39 score at the strokeplay in August. He was also runner up in the GAA matchplay earlier this month. Pauline too has been very consistent in the club majors and was winner of the Club Matchplay and runner up in the Strokeplay as well. Pauline too was a member of the Dublin Inter County team and she again performed well in scratch cups. The runners up Conor O'Shea and Vera Glennon too were excellent. Vera was our strokeplay winner, Handicap Matchplay winner, performed well in the Club Matchplay and a number of the Chase II events. She Matched Pauline almost all the way and nearly caught her at the end. Conor O'Shea what a year for him. winner of the GAA Matchplay, the Gents Inter Matchplay and runner up in the Dublin Matchplay, his game continues to improve and 2020 could be a very exciting year for him with lots to look forward to. We will update final points total after our final weekend. We will announce too presentation dates as well to our winners and runners up but well played to Tom & Pauline on a fantastic consistent year.
