Wednesday, 12 January 2022 12:22

---

Ladies and Gentlemen the Winter Leagues teed off last weekend and will continue over the next 9 weekends.

The early pace setters are Team Lynam, with a combined score of 40 under par to take a 4 stroke lead from Team Comerford and Team Glennon. Very impressive performance by Team Lynam, with Denis Grace and Ann McFarlane scoring 39 nett and Tommy Lynam and Michael Quinn scoring 44 netts. Are they just 1 week wonders or will they remain there for the long haul, all will be revealed over the next 9 weeks.

Unfortunately one team failed to score, despite 1 member of the team shooting the best nett score of the weekend with a 38. Great score Charlie. Not to worry long way to go, hopefully teams can get at least 3 players playing over the next 9 weeks. Below are links to all the team scores and also the Week 1 League Table. Best of luck to everyone over the coming weeks.
