Dear Member

Thank you for choosing to join our club I have listed below some general rules and etiquette which will help you enjoy playing on our championship course.

- The code to access the course is the gate must be closed after you enter the course and closed when you leave the course
- Players must use the tee box when teeing it is not permitted to tee off from the side of the tee box
- **Wooden tees are not permitted please use plastic tees**
- **Please repair pitch marks that you make, our grounds team work very hard to maintain the course**
- **Always wear golf shoes while playing on the course**
- With rule changes that were applied in 2019 players may now if they choose to carry 3 clubs one of which must be a putter
- When playing competition (**Fri/Sat/Sun**) if you find that there is a two-hole gap between your group and the group ahead you are required to call thru the group following behind you
- When you reach the 7th tee box let the group on the 8th tee off first
- When you reach the 14th tee box if there is a group teeing up on the 5th let them go first
- When teeing off from the 17th always give way to those who are teeing off from the first tee box
- When playing in competition always remember to place a coin behind the ball before you pick it up when on the green

We hope that you will enjoy playing at Old County

Yours in sport

Gerry Clarges
